Patent results

Patents 1 - 7 on namespace authentication administration server. (0.01 seconds)

System and method for automatically managing computing resources in a distributed computing environment

US Pat. 6058426 - Filed Jul 14, 1997 - International Business Machines Corporation
 DCE **Administration** The DAAT **server** runs using the DCE **authentication/** authorization
 ... to the standard registra-tion of their services with the **namespace**. ...

Web-based DCE management

US Pat. 6195097 - Filed Jul 8, 1997 - International Business Machines Corporation
 4 is a representative display screen showing a DCE 25 **Server** Status Web page; FIG.
 ... up to about 100) 40 connected machines that share a single **namespace**. ...

Method and system for web-based DCE management

US Pat. 7000198 - Filed Oct 26, 2000 - International Business Machines Corporation
 Client and **server**, in turn, are located within a DCE domain or "cell", which is
 generally a set of connected machines that share a single **namespace**. ...

Method and apparatus for enabling a web server to impersonate a user of a distributed file system to obtain secure access to supported web documents

US Pat. 5918228 - Filed Jan 28, 1997 - International Business Machines Corporation
 Because the **server** is self-contained, web site **administration** is cumbersome ...
 all of the files stored in various file systems in a global **namespace**. ...

Method and system for providing certificates holding authentication and authorization information for users/machines

US Pat. 5999711 - Filed Jul 18, 1994 - Microsoft Corporation
 The KDC 109 acts as an **authentication** service in that it authenticates the
 identities of principals. A principal 60 is a uniquely named client or **server** ...

Method and system for implementing current user links

US Pat. 7062563 - Filed Feb 27, 2002 - Oracle International Corporation
 The user's X.500 distinguished name, which is used for **authentication** using SSL
 ... One reason to use an application context container is to avoid **namespace** ...

Logon certification

US Pat. 5757920 - Filed Mar 13, 1997 - Microsoft Corporation
 ... storing 2A. knowledge about the **namespace** of the distributed system FIG. ...
 as an **authentication** service in a logon in accordance with the preferred ...

"with" is a very common word and was not included in your search. [\[details\]](#)

Patent results Patents 1 - 10 on namespace OR name space with application programming interface.

Name space registry with backward compatibility for older applications [Sort by relevance](#) | [Sort by date \(new first\)](#) | [Sort by date \(old first\)](#)

US Pat. 5903753 - Filed Aug 18, 1995 - International Business Machines Corporation
 ... to the **application programming interface** and means in the **application programming**
 ... the operating system comprising: a **name** registry containing the ...

Data mining application programming interface

US Pat. 6865573 - Filed Jul 27, 2001 - Oracle International Corporation
 The **application programming interface** of claim 21 wherein the database ...
 project object maintains a **name space** within which data mining objects are named. ...

Method and apparatus for using name spaces in a graphical user interface

US Pat. 6880129 - Filed Apr 20, 2000 - SilverStream Software, LLC
 The control uses the **name space** designa-tion when, for example, generating labels
 ... **programming** language and **application programming** interfaces (apis). ...

User-interactive system and method for integrating applications

US Pat. 6334158 - Filed Nov 29, 1996 - Agilent Technologies, Inc.
 The **application** integrator of claim 9, wherein said configuration system ...
 software **application** having a **programming interface**, and a **name space** for a ...

Method and apparatus for storage application programming interface for digital mass storage and retrieval based upon data object type or size and characteristics of the data storage device

US Pat. 6128717 - Filed Jan 20, 1998 - Quantum Corporation
 10, the hardware/software **interface** has been raised upwardly so that the file
 ... the **name space** and allocation processing of the physical device **space** onto ...

Run-time translation of legacy emulator high level language application programming interface (EHLLAPI) calls to object-based calls

US Pat. 6519605 - Filed Apr 27, 1999 - International Business Machines Corporation
 Then, the session **name** is saved in the **application's** program control block. ...
 A pointer to the presentation **space** object is obtained from the session ...

Method of and apparatus for providing multi-level security access to system

US Pat. 6564325 - Filed May 7, 1999 - Nortel Networks Limited
 As an example, the functions that are to be called may be determined prior to
 downloading, such as from an **application programming interface** (API). ...

Object oriented method and system for providing a common communications interface between software application programs

US Pat. 6256678 - Filed Jan 14, 1997 - Sterling Software, Inc.
 40 Thus, **programming** an **application** to use only one of the api's means that ...
 3 illustrates an object model of the **Name Space** Iterator object type of one ...

**METHOD, SYSTEM FOR USING FILE NAME TO ACCESS APPLICATION PROGRAM
WHERE A LOGICAL FILE SYSTEM PROCESSES PATHNAME TO DETERMINE WHETHER
THE REQUEST IS A FILE ON STORAGE DEVICE OR OPERATION FOR APPLICATION
PROGRAM**

US Pat. 6594675 - Filed Aug 26, 1999 - International Business Machines Corporation

The computer system further includes a logical file system 6, physical file systems 8 and 10, an **application program interface** (API) 12, transaction manager ...

Application programming interface for changing the visual style

US Pat. 6873337 - Filed Sep 27, 2000 - Microsoft Corporation

This API may use additional parameters to identify a particular **application** and class **name**. This allows a theme author to use the specified class but to ...

Gooooooooooooooogle ►

Result Page: 1 2 3 4 5 6 7 8 9 10 **Next**

namespace OR name space with application
